### DETAILED ACTION

This application is in condition for allowance except for the following formal matters:

#### *Claim Objections*

Claim 7 is objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim. Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s) in proper dependent form, or rewrite the claim(s) in independent form. Claim 7 is improperly dependent on claim 1, as claim 1 makes no provision for a salt in the first place.

The traverse is unpersuasive, and is unrelated to the problem. Applicants say that the claim is not indefinite, and hence is not rejectable under 35 USC 112. Agreed, but there is no such rejection; the claim is not rejected. This is an objection; the issue is a matter of form. The form of the claim does not comply with 37 CFR 1.75(c) because it fails to further limit claim 1, as a sets forth material not in claim 1 in the first place.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire TWO MONTHS from the mailing date of this letter.
